

AVERY RAQUEL

In 2018, **Avery Raquel** released her 3rd solo album, 'My Heart Away', comprised of original music, written by the accomplished and maturing singer-songwriter, the music achieved critical acclaim and airplay across Canada and into the US. The album debuted at #11 on the Canadian iTunes RnB/Soul chart.

The success of that album led to the interest and attention of Grammy award-nominated artist, Producer, and DJ, **StoneBridge**. '**Pieces – The Remixes**', recently released, with its infectious melody and catchy hook, is played in dance clubs and radio all around the world. The song reached #30 on the Billboard Dance Club Song Chart and remained on the chart for nine weeks.

That achievement is merely one of many from this teenaged Contemporary Soul/RnB/Jazz phenomenon. Her talent caught the ears of award-winning Canadian producer Greg Kavanagh, in 2017, and their collaboration of work has led to outstanding original songs that were not only featured on 'My Heart Away', but also on her 2nd solo album, 'Without A Little Rain'.

Avery's music consistently receives glowing reviews and continued airplay across Canada, and the US, affording her opportunities to perform across North America. From New York to Newport to Toronto and beyond, including venues and renowned music festivals, Avery continues to wow audiences with her fresh style and powerful vocals.
